General Information

American Century ICAV (the "ICAV") is an Irish collective asset-management vehicle constituted as an umbrella fund with segregated liability between Sub-Funds with registration number C535116. The ICAV was incorporated on 26 March 2024. The ICAV has been authorised by the Central Bank of Ireland (the "Central Bank") as an Undertaking for Collective Investment in Transferable Securities ("UCITS") pursuant to the provisions of the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations, 2011 (as amended) and the Central Bank (Supervision and Enforcement) Act 2013 (section 48(1)) (Undertakings for Collective Investment in Transferable Securities) Regulations 2019 (as amended) (together the "Central Bank UCITS Regulations"). All capitalised terms used but not defined herein shall have the meaning ascribed thereto in the ICAV's Prospectus dated 16 August 2024 (the "Prospectus").

The ICAV has been registered in accordance with the Irish Collective Asset-management Vehicles Act 2015-2020 (the "ICAV Act") for the purpose of investing in transferable securities in accordance with the UCITS Regulations.

The ICAV has been structured as an umbrella fund consisting of different Sub-Funds (please see Sub-Funds and share classes below), each comprising of one or more classes of shares. The Directors may from time to time, create additional Sub-Funds, with the prior approval of the Central Bank. Shares representing interests in different Sub-Funds may also be issued from time to time by the ICAV. Each Sub-Fund will bear its own liabilities and, under Irish law, the ICAV, the service providers appointed to the ICAV, the Directors, any receiver, examiner nor liquidator, nor any other person will have access to the assets of a Sub-Fund in satisfaction of a liability of any other Sub-Fund.

The ICAV has appointed Waystone Management Company (IE) Limited as Manager.

The Manager has appointed American Century Investment Management, Inc as the Investment Manager.

The ICAV has appointed State Street Custodial Services (Ireland) Limited to act as Depositary.

The Manager has appointed State Street Fund Services (Ireland) Limited to act as Administrator and Transfer Agent to the ICAV.

The Manager has appointed American Century Investment Management (UK) to act as Distributor with effect from 2 January 2025 (up to 1 January 2025 - American Century Investment (EU) Gmbh).

The ICAV provides that the investment objective and policies for each Sub-Fund will be formulated by the Directors, in consultation with the Manager, at the time of the creation of that Sub-Fund. The investment objective and policy for each Sub-Fund will be set out in the relevant Supplement.

The intention of the ICAV is for each of the exchange-traded funds ("ETF") Sub-Funds to qualify as ETF through listing and trading ETF Shares on one or more Relevant Stock Exchange(s) that may include but will not be limited to the Deutsche Börse Xetra, the Borsa Italiana, Euronext Amsterdam, London Stock Exchange and the SIX Swiss Exchange.

Authorised Participants

Generally, only an Authorised Participant may engage in creation or redemption transactions directly with the Sub-Fund in the primary market (to be distinguished from the secondary market that shares may trade in). The ETF shares are listed for secondary trading on each Listing Stock Exchange (as defined in the Prospectus as such selected exchanges as the Directors may determine from time to time in respect of each Fund and which are specified on the Website) and individual ETF shares may be purchased and sold by investors on Listing Stock Exchanges through a broker-dealer.

Sub-Funds and Share Classes

There are three Sub-Funds in operation as at 31 December 2024:

	Launch	Functional	
Sub-Fund	date	Currency	Share Class
Avantis Emerging Markets Equity UCITS ETF	9 Dec 2024	USD	USD Acc ETF Class*
Avantis Global Equity UCITS ETF	25 Sep 2024	USD	USD Acc ETF Class*
Avantis Global Small Cap Value UCITS ETF	25 Sep 2024	USD	USD Acc ETF Class*

^{*} The Share Class is unhedged.

Benchmark

The Sub-Funds are actively managed ETF. The Sub-Funds do not seek to replicate the performance of specified indices but does reference the following indices for comparative purposes only.

Sub-Fund	Benchmark
Avantis Emerging Markets Equity UCITS ETF	MSCI Emerging Markets IMI Index (USD)
Avantis Global Equity UCITS ETF	MSCI World IMI Index (USD)
Avantis Global Small Cap Value UCITS ETF	MSCI World Small Cap Value Index (USD)

Stock Exchange Listings

The Sub-Funds of the ICAV are listed on the following exchanges as at 31 December 2024:

	Base	London Stock	Deutsche
Sub-Fund	Currency	Exchange	Börse Xetra
Avantis Emerging Markets Equity UCITS ETF	USD	19 Dec 2024	12 Dec 2024
Avantis Global Equity UCITS ETF	USD	4 Dec 2024	1 Oct 2024
Avantis Global Small Cap Value UCITS ETF	USD	4 Dec 2024	1 Oct 2024

Directors' Report

The Directors of American Century ICAV (the "ICAV") present herewith their report together with the audited financial statements for the period ended 31 December 2024. The financial statements of the ICAV have been prepared in accordance with the FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland ("FRS 102"), Irish statute comprising the Irish Collective Asset-management Vehicles Act 2015-2020 (the "ICAV Act") and the UCITS Regulations.

Review of Business

The ICAV was incorporated on 26 March 2024. The ICAV has been authorized by the Central Bank of Ireland (the "Central Bank") as an Irish collective asset-management vehicle with registered number C535116. The launch dates of the individual Sub-Funds in the ICAV are disclosed on page 3.

The results for the period are set out on page 20. A detailed review of the performance of the ICAV is included in the Investment Manager's Report on page 9. The ICAV will continue to act as an investment vehicle as set out in the Prospectus.

The financial statements have been prepared on a going-concern basis as nothing has come to the attention of the Directors that indicate that the ICAV cannot continue in operational existence for a period of at least 12 months from the date of approval of these financial statements ("the period of assessment").

Corporate Governance

Statement of Compliance on Corporate Governance

The Board of Directors of the ICAV has adopted the corporate governance code as published by the Irish Funds Industry Association (the "IF Code") and is responsible for ongoing compliance with the IF Code. The ICAV has been fully compliant with the IF Code for the period ended 31 December 2024.

Statement of Directors' Responsibilities

The Directors are responsible for preparing the annual report and the financial statements of the Sub-Funds of the ICAV, in accordance with applicable law and regulations.

The ICAV Act requires the Directors to prepare financial statements for each financial period. Under that law they have elected to prepare the financial statements in accordance with FRS 102.

The financial statements are required to give a true and fair view of the assets, liabilities and financial position of the Sub-Funds of the ICAV at the end of the period and of the profit or loss of the Sub-Funds of the ICAV for the period. Under Irish law, the Directors shall not approve the financial statements unless they are satisfied that they give a true and fair view of the ICAV's assets, liabilities and financial position as at the end of the period and profit or loss of the ICAV for the period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going-concern basis unless it is inappropriate to presume that the ICAV will continue in business.

The Directors are responsible for keeping adequate accounting records which are sufficient to:

- correctly record and explain the transactions of the ICAV;
- disclose with reasonable accuracy at any time the assets, liabilities, financial position and profit or loss
 of the Sub-Funds of the ICAV; and
- enable them to ensure that the financial statements comply with the ICAV Act and the UCITS Regulation and enable those financial statements to be audited.

To achieve this, the Directors have appointed Waystone Management Company (IE) Limited (the "Manager") who has delegated responsibility to the State Street Fund Services (Ireland) Limited (the "Administrator"), to maintain the accounting records of the Sub-Funds and perform additional administrative duties. The accounting records are kept by the Administrator, at 78 Sir John Rogerson's Quay, Dublin 2, Ireland. The Directors have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Sub-Funds of the ICAV. In this regard they have entrusted the assets of the Sub-Funds to the Depositary for safe-keeping. The Directors have general responsibility for taking such steps as are reasonably open to them to prevent and detect fraud and other irregularities. The Directors are also responsible for preparing a Directors' Report that complies with the requirements of the ICAV Act.

The financial statements are published on the www.avantisinvestors.com website. The Directors, together with the Investment Manager, are responsible for the maintenance and integrity of the financial information included in this website. Legislation in Ireland governing the preparation and dissemination of financial statements may differ from legislation in other countries.

Financial instruments

Details of the ICAV's use of financial instruments including transferable securities are disclosed in Notes 1, 6, 7 and 12 to the financial statements. A full list of transferable securities and derivative financial instruments held by the Sub-Funds at the period end date can be found in the respective Sub-Fund's Schedule of Investments.

Risk Management Objectives and Policies

Details of the ICAV's risk management objectives, policies and the Sub-Funds' exposure to market risk, credit and counterparty risk and liquidity risk at the period end are included in Note 6 to the financial statements.

Further details of the ICAV's risks, including non-financial risks, are detailed in the Prospectus.

Key Performance Indicators

The Directors consider that the change in the Net Asset Value ("NAV") per share is a key indicator of the performance of the ICAV. Key performance indicators monitored by the Directors for each Sub-Fund include the monthly movement in the NAV per share and the share capital movements.

Transactions with Connected Persons

Regulation 43(1) of the Central Bank UCITS Regulations states that "a responsible person shall ensure that any transaction between a UCITS and a connected person is conducted a) at arm's length; and b) in the best interest of the shareholders of the UCITS".

As required under Regulation 81(4) of the Central Bank UCITS Regulations, the Directors of the Manager have put arrangements in place, evidenced by written procedures, to ensure that the obligations that are prescribed by Regulation 43(1) are applied to all transactions with connected persons; and all transactions with connected persons that were entered into during the period to which the report relates complied with the obligations that are prescribed by Regulation 43(1).

The Directors are satisfied that (i) there are in place arrangements, evidenced by written procedures, to ensure that the obligations that are prescribed by Regulation 43(1) of the Central Bank UCITS Regulations are applied to all transactions with a connected party (as defined in Regulation 42 of the Central Bank UCITS Regulations) and (ii) all transactions with connected parties entered into during the period to which the report relates compiled with the obligations that are prescribed by Regulation 43(1) of the Central Bank UCITS Regulation.

Related Party Transactions

All transactions involving related parties during the period are disclosed in Note 11 to the financial statements.

Segregated Liability

The ICAV is an umbrella fund with segregated liability between the Sub-Funds and as such, as a matter of Irish law, the assets of a Sub-Fund will not be exposed to the liabilities of the ICAV's other Sub-Funds.

Segregated liability ensures that the liabilities incurred on behalf of a Sub-Fund will be discharged solely out of the assets of that Sub-Fund and there can generally be no recourse to the other Sub-Funds to satisfy those liabilities.

Each Sub-Fund will be responsible for paying its fees and expenses regardless of the level of profitability. Notwithstanding the foregoing there can be no guarantee or assurance that, should an action be brought against the ICAV in a court of another jurisdiction, that the segregated nature of the Sub-Funds would necessarily be upheld.

Employees

The ICAV had no employees other than the Directors during the period ended 31 December 2024.

Diversity

Appointments to the Board are made on merit with due regards to the requirements of the Central Bank of Ireland and the Irish Funds Industry Association Code in relation to, inter alia, the composition, independence, expertise, experience, fitness and probity of the Board. In respect of future appointments, it will also be the strategy of the Board to take into consideration the benefits of diversity (including age, gender, education and professional backgrounds) during the selection and appointment process. However, the Board remains committed to appointing candidates with the most suitable range of skills and experience, taking into consideration but without prioritising diversity. As such, no formal diversity objectives or targets have been set against which to report.

Significant Events During the Period

See Note 17 to the financial statements for details of significant events affecting the ICAV during the period.

Significant Events Since the Period End

See Note 18 to the financial statements for details of significant events affecting the ICAV since the period end.

Directors

The name and nationality of persons who were Directors at any time during the period ended 31 December 2024 are set out below:

Richard Adams (British) Wes Campbell (American) Glen Casey (American) Feargal Dempsey (Irish)* Siobhan Moloney (Irish)**

All Directors are Non-Executive.

- * Independent Director.
- ** Independent Director from January 2025. Until January 2022, she was an employee of Waystone Management Company.

Secretary

The ICAV has appointed Gravitas TCSP (Ireland) Limited as Company Secretary.

Directors and ICAV's Secretary's Interest in Shares and Contracts

During the period or at the period end, neither the Directors nor Company Secretary had any material interest, beneficial or non-beneficial, in the share capital of the ICAV or any agreement or arrangement with the ICAV.

Directors' Fees

Directors' fees earned during the period and payable at the period end are disclosed in Note 5 to the financial statements.

Political Donations

The ICAV did not make any political donations during the current period.

Relevant audit information

The Directors believe that they have taken all steps necessary to make themselves aware of any relevant audit information and have established that the ICAV's statutory auditors are aware of that information. In so far as they are aware, there is no relevant audit information of which the ICAV's statutory auditors are unaware.

Independent Auditors

Deloitte Ireland LLP were appointed on 14 August 2024 as independent auditors of the ICAV in accordance with Section 125 of the ICAV Act 2015-2020.

On behalf of the Board of Directors

Report of the Depositary to the Shareholders

We have enquired into the conduct of American Century ICAV ('the ICAV') for the financial period from 26 March 2024 (Date of Incorporation) to 31 December 2024, in our capacity as Depositary to the ICAV.

This report including the opinion has been prepared for and solely for the shareholders in the ICAV as a body, in accordance with Regulation 34, (1), (3) and (4) in Part 5 of the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011, as amended, ('the UCITS Regulations'), and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown.

Responsibilities of the Depositary

Our duties and responsibilities are outlined in Regulation 34, (1), (3) and (4) in Part 5 of the UCITS Regulations. One of those duties is to enquire into the conduct of the Manager and the ICAV in each annual accounting period and report thereon to the shareholders.

Our report shall state whether, in our opinion, the ICAV has been managed in that period in accordance with the provisions of the ICAV's Instrument of Incorporation and the UCITS Regulations. It is the overall responsibility of the Manager and the ICAV to comply with these provisions. If the Manager or the ICAV has not so complied, we as Depositary must state why this is the case and outline the steps which we have taken to rectify the situation.

Basis of Depositary Opinion

The Depositary conducts such reviews as it, in its reasonable opinion, considers necessary in order to comply with its duties as outlined in Regulation 34, (1), (3) and (4) in Part 5 of the UCITS Regulations and to ensure that, in all material respects, the ICAV has been managed (i) in accordance with the limitations imposed on its investment and borrowing powers by the provisions of the ICAV's Instrument of Incorporation and the UCITS Regulations and (ii) otherwise in accordance with the ICAV's constitutional documentation and the appropriate regulations.

Opinion

In our opinion, the ICAV has been managed during the period, in all material respects:

- (i) in accordance with the limitations imposed on the investment and borrowing powers of the ICAV by the Instrument of Incorporation, the UCITS Regulations and the Central Bank (Supervision and Enforcement) Act 2013 (Section 48(1)) (Undertakings for Collective Investment in Transferable Securities) Regulations 2019 ('the Central Bank UCITS Regulations'); and
- (ii) otherwise in accordance with the provisions of the Instrument of Incorporation, the UCITS Regulations and the Central Bank UCITS Regulations.

Investment Manager's Report

AVANTIS EMERGING MARKETS EQUITY UCITS ETF

Portfolio Review

The portfolio underperformed. From the portfolio's inception on 9 December 2024, through period-end, the portfolio underperformed its benchmark.

Country weightings detracted. Differences in country weights versus the benchmark were the primary drivers of underperformance over the short period since the portfolio's inception. The largest detractors included an underweight to South Korea, which outperformed, and an overweight to South Africa, which underperformed. An underweight position in India, which underperformed, aided relative results and helped partially offset overall underperformance.

Valuation focus yielded mixed results. Returns by book-to-market and profitability quartiles were mixed, with the highest and lowest quartiles performing similarly for the period. Overall, the net effects of the portfolio's overweight to companies with higher book-to-market and profitability characteristics and underweight to companies with lower book-to-market and profitability were small.

AVANTIS GLOBAL EQUITY UCITS ETF

Portfolio Review

The portfolio performed in line with the benchmark. From the portfolio's inception on 25 September 2024, through period-end, the portfolio performed in line with its benchmark.

Capitalisation weightings detracted. The portfolio's weightings across the capitalisation spectrum detracted from results. An underweight versus the benchmark to mega-cap companies, which outperformed, and overweights to large- and small-cap companies, which underperformed, were the main detractors.

Valuation focus contributed. The portfolio's emphasis on companies with high book-to-market and profitability characteristics aided relative performance, as these companies outperformed stocks with lower book-to-market and profitability characteristics.

REITs exclusion lifted results. The portfolio's exclusion of REITs, which sharply underperformed, boosted relative performance.

AVANTIS GLOBAL SMALL CAP VALUE UCITS ETF

Portfolio Review

The portfolio outperformed. From the portfolio's inception on 25 September 2024, through period-end, the portfolio outperformed its benchmark.

Valuation focus drove outperformance. The portfolio's overweight versus the benchmark in companies with high book-to-market and profitability characteristics, which outperformed, and underweight in companies with lower book-to-market and profitability characteristics, which underperformed, were the primary drivers of outperformance.

REITs exclusion boosted results. The portfolio's exclusion of REITs, which underperformed sharply for the period, also lifted performance.

Independent auditor's report to the shareholders of American Century ICAV

Report on the audit of the financial statements

Opinion on the financial statements of American Century ICAV (the 'ICAV')

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the Sub-Funds of the ICAV as at 31 December 2024 and of the results for the financial period from 26 March 2024 (date of incorporation) to 31 December 2024 then ended: and
- have been properly prepared in accordance with the relevant financial reporting framework and the applicable Regulations.

The financial statements we have audited comprise:

- the Statement of Financial Position;
- the Statement of Comprehensive Income;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Participating Shares;
- the related notes 1 to 19, including a summary of significant accounting policies tas set out in note 1; and
- the Schedule of Investments.

The relevant financial reporting framework that has been applied in their preparation is the Irish Collective Asset-Management Acts 2015-2020 ("the ICAV Act") and FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' issued by the Financial Reporting Council ("the relevant financial reporting framework").

The applicable regulations that have been applied in their preparation is the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations, 2011 and Central Bank (Supervision and Enforcement) Act 2013 (Section 48(1)) (Undertakings for Collective Investment in Transferable Securities) Regulations, 2019 ("the applicable Regulations").

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the "Auditor's responsibilities for the audit of the financial statements" section of our report.

We are independent of the ICAV in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), as applied to public interest entities, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Summary of our audit approach

Key audit matters	The key audit matters that we identified in the current period were: • Valuation of financial assets at fair value through profit or loss. • Existence of financial assets at fair value through profit or loss.			
Materiality	The materiality that we used in the current period was 0.5% of the average net assets for each Sub-Fund.			
Scoping	Our audit is a risk based approach taking into account the structure of the ICAV types of investments, the involvement of the third parties service providers, the accounting processes and controls in place and the industry in which the ICAV operates.			

Deloitte.

First Year Audit

This is the first period of incorporation for the ICAV.

We undertook a number of procedures to prepare for our first period audit which included:

- before we commenced our audit, we established our independence of the ICAV.
- we held discussions with management to gain an understanding of the ICAV's processes and controls in place, as well as understanding of any complex or significant judgements.
- we commenced the audit by gaining an understanding of the relevant controls over information technology and relevant controls over areas of significant risk to build our understanding of the ICAV.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Our evaluation of the directors' assessment of the ICAV's ability to continue to adopt the going concern basis of accounting included:

- as part of our risk assessment procedures, we obtained an understanding of the relevant controls in place regarding going concern.
- challenging the reasonableness of the key assumptions applied by the directors in their assessment.
- holding discussions with management on the directors' going concern assessment, the future plans for the entity and the feasibility of those plans.
- reviewing all board meeting minutes during the period up to the date of approval of the financial statements, for evidence of any discussions and/or decisions that could impact the ICAV's ability to continue as a going concern.
- reviewing the capital activity and Net Asset Value movements of each Sub-Fund subsequent to the financial period end
- evaluated the adequacy of the relevant going concern disclosures made in the financial statements.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the ICAV's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current financial period and include the most significant assessed risks of material misstatement (whether or not due to fraud) we identified, including those which had the greatest effect on: the overall audit strategy, the allocation of resources in the audit; and directing the efforts of the engagement team. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Valuation of Financial Assets at Fair Value Through Profit or Loss

Key audit description

matter

For the financial period ended, the financial assets at fair value through profit or loss of the ICAV have a combined fair value of \$400.15m which represents 99% of the ICAV's total net assets \$404.28m.

While the nature of the financial assets and liabilities at fair value through profit or loss do not require significant levels of judgement their valuation is considered a key audit matter as it comprises the most significant balances on the Statement of Financial Position. The valuation

Deloitte.

is also a key driver to the financial performance of the ICAV. The appropriate valuation of the ICAV's financial assets at fair value through profit or loss is crucial to ensuring the financial statements are free from material misstatement.

Refer also to notes 1(c), 6 and 7 in the financial statements.

How the scope of our audit responded to the key audit matter

• We independently valued financial assets at fair value through profit or loss using independent market feeds. We compared the prices published by independent pricing sources to the financial assets portfolio.

Existence of Financial Assets at Fair Value Through Profit or Loss

Key audit description

matte

For the financial period ended, the financial assets at fair value through profit or loss of the ICAV have a combined fair value of \$400.15m which represents 99% of the ICAV's total net

assets \$404.28m.

The existence of the financial assets at fair value through profit or loss is crucial to ensuring the financial statements are free from material misstatement and involved significant audit effort in performing audit procedures. There is a risk that the financial assets may not exist at period end.

Refer also to notes 1(c), 6 and 7 in the financial statements.

How the scope of our audit responded to the key audit matter

The procedures performed to address the key audit matter included the following:

• We obtained an independent confirmation from the depositary at the financial period end and agreed the amounts held to the financial assets portfolio.

Our audit procedures relating to these matters were designed in the context of our audit of the financial statements as a whole, and not to express an opinion on individual accounts or disclosures. Our opinion on the financial statements is not modified with respect to any of the risks described above, and we do not express an opinion on these individual matters.

Our application of materiality

We define materiality as the magnitude of misstatement in the financial statements that makes it probable that the economic decisions of a reasonably knowledgeable person would be changed or influenced. We use materiality both in planning the scope of our audit work and in evaluating the results of our work.

Based on our professional judgement, we determined materiality for the financial statements as a whole as follows:

Basis	for	0.5% of Average Net Assets of each Sub-Fund.
determini	ng	
materialit	у	
Rationale	for the	We have considered the Average Net Assets to be the critical component for determining materiality
benchmar	·k	because the main objective of each Sub-Fund is to provide shareholders with a total return and thus
applied		the Average Net Assets was deemed to be the most appropriate measure for the primary users
		(shareholders) of the financial statements.

We set performance materiality at a level lower than materiality to reduce the probability that, in aggregate, uncorrected and undetected misstatements exceed the materiality for the financial statements as a whole.

Performance materiality was set at 80% of materiality for each Sub-Fund for the 2024 audit. In determining performance materiality, we considered the following factors:

- our understanding of each Sub-Fund and the industry in which they operate;
- the quality of the control environment and whether we were able to rely on controls;
- assessment of risks of material misstatement, including fraud risks; and
- our expectation of misstatements in the current period.

We agreed with the Board of Directors that we would report to the board all audit differences in excess of 10% of materiality, as well as differences below that threshold that, in our view, warranted reporting on qualitative grounds. We also report to the Board of Directors on disclosure matters that we identified when assessing the overall presentation of the financial statements.

An overview of the scope of our audit

Our audit is a risk based approach taking into account the structure of the ICAV, types of financial assets, the involvement of the third parties service providers, the accounting processes and controls in place and the industry in which the ICAV operates. The ICAV was registered in Ireland pursuant to the ICAV Act. The ICAV is authorised by the Central Bank of Ireland (the "Central Bank") as a UCITS (Undertaking for Collective Investment in Transferable Securities) pursuant to the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations, 2011. The ICAV is organised as an open-ended umbrella fund with segregated liability between Sub-Funds. We assess the risks of each Sub-Fund separately.

We have conducted our audit based on the books and records maintained by the administrator State Street Fund Services (Ireland) Limited at 78 Sir Rogerson's Quay, Dublin 2. All audit work was performed directly by the audit engagement team

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and otherwise comply with the ICAV Act, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the ICAV's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the ICAV or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on IAASA's website at: https://iaasa.ie/publications/description-of-the-auditors-responsibilities-for-the-audit-of-the-financial-statements/. This description forms part of our auditor's report.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

Identifying and assessing potential risks related to irregularities

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

- the nature of the ICAV's industry, control environment and business performance;
- the ICAV's documentation of their policies and procedures relating to fraud and compliance with laws and regulations:
- results of our enquiries of management about their own identification and assessment of the risks of irregularities;
- any matters we identified having obtained and reviewed the ICAV's documentation of their policies and procedures relating to:
 - o identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
 - o detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud;
 - o the internal controls established to mitigate risks of fraud or non-compliance with laws and regulations;
- the matters discussed among the audit engagement team and relevant internal specialists, including IT specialists
 and internal valuation specialists regarding how and where fraud might occur in the financial statements and any
 potential indicators of fraud.

As a result of these procedures, we considered the opportunities and incentives that may exist within the organisation for fraud and identified the greatest potential for fraud in the following areas: revenue recognition with respect to net change in unrealised gains/(losses) on financial assets at fair value through profit or loss. In common with all audits under ISAs (Ireland), we are also required to perform specific procedures to respond to the risk of management override.

We also obtained an understanding of the legal and regulatory framework that the ICAV operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the ICAV Act, and the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations, 2011 (as amended).

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the ICAV's ability to operate or to avoid a material penalty. These included the applicable Listing Rules.

Audit response to risks identified

As a result of performing the above, we did not identify any key audit matters related to the potential risk of fraud or non-compliance with laws and regulations.

Our procedures to respond to risks identified included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- enquiring of management and the board of directors concerning actual and potential litigation and claims;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- reading minutes of meetings of those charged with governance;
- in addressing the risk of fraud in revenue recognition; with respect to the net change in unrealised gains/(losses) on financial assets at fair value through profit or loss, we independently valued financial assets at fair value through profit or loss as described in our valuation of financial assets key audit matter and completed an unrealised gain/loss reconciliation by comparing the opening unrealised gain/loss to the closing unrealised gain/loss and comparing the movement to the balance per the financial statements; and
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members including internal specialists, and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

Report on other legal and regulatory requirements

Opinion on other matters prescribed by the ICAV Act and applicable Regulations

In our opinion, the information given in the directors' report is consistent with the financial statements and the directors' report has been prepared in accordance with the ICAV Act.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the ICAV and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the provisions in the ICAV Act which require us to report to you if, in our opinion, the disclosures of directors' remuneration specified by the ICAV Act are not made.

Opinion on other matters prescribed by the applicable Regulations

Based solely on the work undertaken in the course of the audit, we report that:

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
- In our opinion the accounting records of the ICAV were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.

Deloitte.

Other matters which we are required to address

We were appointed by the Board of Directors on 2 August 2024 to audit the financial statements for the financial period ended 31 December 2024. The period of total uninterrupted engagement including previous renewals and reappointments of the firm is 1 year, covering the period ending 31 December 2024.

The non-audit services prohibited by IAASA's Ethical Standard were not provided and we remained independent of the ICAV in conducting the audit.

Our audit opinion is consistent with the additional report to the audit committee we are required to provide in accordance with ISA (Ireland) 260.

Use of our report

This report is made solely to the ICAV's shareholders, as a body, in accordance with Section 120(1) (b) of the ICAV Act. Our audit work has been undertaken so that we might state to the ICAV's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the ICAV and the ICAV's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to Financial Statements

FOR THE FINANCIAL PERIOD ENDED 31 DECEMBER 2024

1. Significant Accounting Policies

The principal accounting policies and estimation techniques applied in the preparation of these financial statements are set out below. Please refer to the general information section of the financial statements for details of how the American Century ICAV (the "ICAV") is structured.

These audited financial statements for the ICAV are prepared for the financial period from 26 March 2024 (date of incorporation) to 31 December 2024.

a) Basis of Preparation

The ICAV's financial statements have been prepared in accordance with Financial Reporting Standard 102 ("FRS 102"), as applicable in the United Kingdom and Ireland, Irish statute comprising the Irish Collective Asset-management Vehicles Act 2015-2020 (as amended) (the "ICAV Act") and the UCITS Regulations.

The financial statements are prepared under the historical cost convention as modified by the revaluation of financial assets and financial liabilities at fair value through profit or loss.

In preparation of financial statements in conformity with FRS 102, the ICAV is required to make certain accounting estimates and assumptions. Actual results may differ from these estimates and assumptions. The Directors believe that any estimates used in preparing the financial statements are reasonable and prudent. Critical accounting estimates are those which involve the most complex or subjective judgements or assessments. The areas of the ICAV's business that typically require such estimates are the determination of the fair value of financial assets and liabilities.

The financial statements for all Sub-Funds have been prepared on a going-concern basis as the Directors are of the view that the ICAV will continue in operational existence for twelve months from the date of approval of these financial statements ("the period of assessment").

The ICAV is availing of the exemption available to open-ended investment funds under FRS 102 (under section 7.1A) and is not presenting a cash flow statement.

Fair value of financial instruments

FRS 102, the accounting standard applicable in the United Kingdom and Ireland, requires that a reporting entity, in accounting for its financial instruments apply either a) the full provisions of Section 11 "Basic Financial Instruments" and Section 12 "Other Financial Instruments" of FRS 102, b) the recognition and measurement provisions of International Accounting Standard ("IAS") 39 "Financial Instruments: Recognition and Measurement" and only the disclosure requirements of Sections 11 and 12 of FRS 102; or c) the recognition and measurement provisions of International Financial Reporting Standards ("IFRS") 9, "Financial Instruments" and/or IAS 39 (as amended following the publication of IFRS 9) and only the disclosure requirements of Sections 11 and 12 of FRS 102. The ICAV has chosen to implement the recognition and measurement provisions of IAS 39 and only the disclosure requirements of Sections 11 and 12.

b) Functional and Presentation Currency

Items included in each Sub-Fund's financial statements are measured using the currency of the primary economic environment in which the relevant Sub-Fund operates (the "functional currency"). The functional and base currency of each Sub-Fund is detailed in the General Information section. The ICAV also has adopted these functional currencies as the presentation currency of each of the Sub-Funds.

Transactions in foreign currencies are translated into the functional currency at the exchange rate at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the reporting date are retranslated into the functional currency of the Sub-Fund at the exchange rate at that date.

Non-monetary assets and liabilities denominated in foreign currencies that are measured at fair value are retranslated into the functional currency of the Sub-Fund at the exchange rate at the date on which fair value was determined.

Any foreign currency differences arising on retranslation are recognised in the Statement of Comprehensive Income in Net (loss)/gain on financial assets at fair value through profit or loss, including those arising on financial instruments at fair value through profit or loss.

1. Significant Accounting Policies (continued)

Financial Assets and Financial Liabilities at Fair Value Through Profit or Loss

Classification

Financial assets and liabilities at fair value through profit or loss have two sub-categories: financial liabilities held for trading and financial assets and financial liabilities designated by management at fair value through profit or loss at inception.

All instruments on the Sub-Funds' Schedules of Investments are classified at fair value through profit or loss. Gains and losses from changes in the fair value of the financial assets and financial liabilities at fair value through profit or loss category are included in the Statement of Comprehensive Income in Net (loss)/gain on financial assets at fair value through profit or loss.

Recognition and De-recognition

Recognition and initial measurement

Purchases and sales of investments are recognised as of the day the transaction takes place (trade date), the date on which the Sub-Fund commits to purchase or sell the asset. Other financial assets and liabilities are recognised on the date in which they originated. Investments are initially recognised at fair value, and transaction costs for all financial assets and financial liabilities carried at fair value through profit or loss are expensed as incurred. Financial assets and financial liabilities not at fair value through profit or loss are initially recognised at fair value plus transaction costs that are directly attributable to their acquisition or issue.

De-recognition

Investments are de-recognised when the rights to receive cash flows from the investments have expired or the relevant Sub-Fund has transferred substantially all risks and rewards of ownership. On de-recognition of a financial asset, the difference between the carrying amount of the asset and consideration received is recognised in the Statement of Comprehensive Income using the average cost methodology. Financial liabilities are de-recognised when the contractual obligations are discharged, cancelled or expired.

Expected Credit Losses

As at 31 December 2024 all other receivables/cash are held with approved counterparties and are due to be settled within one year. As a result, no loss allowance has been recognised based on 12 month expected credit losses as any such impairment would be wholly insignificant to the ICAV.

Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the relevant Sub-Fund has access at that date.

i) Transferable Securities

When available, the Sub-Funds measure the fair value of an investment using the quoted price in an active market for that instrument. A market is regarded as 'active' if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis. Sub-Funds measure instruments quoted in an active market at a last traded in the case of equity instruments and mid-market prices in the case of corporate and government bonds, because this price provides a reasonable approximation of exit price.

In the case of an investment which is not quoted, listed or dealt on a recognised market, or in respect of which a listed, traded or dealt price or quotation is not available at the time of valuation, the fair value of such investment shall be estimated with care and in good faith by a competent professional person, body, firm or corporation, appointed by the Manager, in consultant with the Directors of the ICAV, and approved for the purposes by the Depositary and such fair value shall be determined using valuation techniques. The Entity uses a variety of methods and makes assumptions that are based on market conditions existing at each reporting date. The Sub-Fund recognises transfers between levels of the fair value hierarchy as at the end of the reporting period during which the change has occurred.

d) Amortised Cost

Financial assets and financial liabilities other than those at fair value through profit or loss are held at amortised cost. The amortised cost of the financial asset or financial liability is the amount at which the financial asset or financial liability is measured at initial recognition, minus principal repayments, plus or minus the accumulative amortisation using the effective interest method of any difference between the initial amount recognised and the maturity amount, minus any reduction for impairment.

1. Significant Accounting Policies (continued)

d) Amortised Cost (continued)

i) Cash and Cash Equivalents

Cash comprises current deposits with banks and bank overdrafts. Cash and cash equivalents are short-term highly liquid investments with a maturity date of 3 months or less that are readily convertible to known amounts of cash, are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments rather than for investment or other purposes. Cash and cash equivalents are held with the Depositary and are stated at fair value.

ii) Debtors and Creditors

Debtors are recognised at fair value plus transaction costs that are directly attributable to their acquisition origination. Creditors are recognised initially at fair value plus transaction costs that are directly attributable to their acquisition origination. They are subsequently measured at amortised cost.

e) Right of Offset

Financial assets and financial liabilities are offset and the net amount presented in the Statement of Financial Position when, and only when, the ICAV or the Sub-Funds have a legal right to set off the amounts and intend either to settle on a net basis or to realise the asset and settle the liability simultaneously. Income and expenses are presented on a net basis for gains and losses from financial instruments at fair value through profit and loss and foreign exchange gains and losses. The ICAV's financial assets and financial liabilities are not subject to offsetting, enforceable master netting arrangements and similar agreements.

f) Investment Income

The Sub-Funds receive investment income from the assets and investments held. The measurement and presentation of the income type is outlined below:

i) Dividend income

Dividend income arising on the underlying equity investments of the Sub-Funds is recognised as income of the relevant Sub-Fund on the ex-dividend date. Income is shown gross of any non-recoverable withholding taxes, which is disclosed separately in the Statement of Comprehensive Income, and net of any tax credits.

ii) Other income

Other income as recognised in the Statement of Comprehensive Income is comprised primarily of interest income earned from cash and cash equivalents held on the Funds. Such income is accrued to the Funds using the effective interest method.

g) Expenses

All expenses are recognised in the Statement of Comprehensive Income on an accruals basis. Note 5 provides additional details of the fees and expenses of the Sub-Funds.

h) Realised Gains and Losses

Realised gains and losses are included in Net (loss)/gain on financial assets at fair value through profit or loss in the Statement of Comprehensive Income.

i) Unrealised Gains and Losses

Unrealised gains and losses on investments are the difference between the original cost of the investment and its value at the reporting period end and are included in Net (loss)/gain on financial assets at fair value through profit or loss in the Statement of Comprehensive Income.

j) Taxation

Dividend and interest income received by the Sub-Funds may be subject to withholding tax imposed in the country of origin. Investment income is recorded gross of such taxes and the corresponding withholding tax is recognised as a tax expense. Withholding tax reclaims receivable are recorded as other receivables in the Statement of Financial Position.

Many of the foreign countries in which the Sub-Funds invest have tax laws that indicate that capital gains taxes may be applicable to non-residents, such as the ICAV. Each relevant Sub-Fund realises capital gains or losses whenever it sells securities. If there are capital gains, the Sub-Fund may be subject to a capital gains tax in that underlying market.

1. Significant Accounting Policies (continued)

k) Redeemable Participating Shares

The Sub-Funds issue redeemable participating shares in each Sub-Fund, which are redeemable at the holder's option and are classified as financial liabilities. Redeemable participating shares can be put back to the relevant Sub-Fund at any time for cash, securities or a combination of cash and securities equal to a proportionate share of the Sub-Fund's Net Asset Value in accordance with the Prospectus.

The Sub-Fund's Net Asset Value per share is calculated by dividing the net assets attributable to the redeemable participating shareholders in each share class by the total number of outstanding redeemable participating shares in issue for that share class. Investment positions are valued in accordance with the valuation methodology laid out in the Prospectus for the purpose of determining the Net Asset Value per share for subscriptions and redemptions.

I) Transaction Costs

Transaction costs are defined as the incremental costs that are directly attributable to the acquisition, issue or disposal of a financial asset or a financial liability. An incremental cost is one that would not have been incurred if the entity had not acquired, issued or disposed of the financial instrument. When a financial asset or a financial liability is recognised initially, an entity shall measure it at its fair value through profit or loss plus transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability. Transaction costs on purchases and sales of securities and other investments are not separately identifiable and are included in Net (loss)/gain on financial assets at fair value through profit or loss in the Statement of Comprehensive Income account. Separately identifiable Custody transaction costs are borne by the Manager through the Total Expense Ratio of the Sub-Funds of the ICAV as detailed in Note 5.

m) Distribution Policy

Each Sub-Fund may issue either or both distributing share classes and accumulating share classes. The Directors may declare dividends in respect of shares in any distributing class out of net income (including dividend and interest income) and/or the excess of realised and unrealised capital gains over realised and unrealised losses in respect of investments of the Sub-Fund. In the case of Sub-Funds with accumulating share classes, the Directors have determined to accumulate all net income (including dividend and interest income) and/or the excess of realised and unrealised capital gains over realised and unrealised losses in respect of investments of the Sub-Fund attributable to such accumulating classes and therefore do not intend to declare dividends in respect of shares in such classes. As of 31 December 2024, all share classes are accumulating share classes.

n) Significant Accounting Estimates and Judgements

Critical accounting estimates are those which involve the most complex or subjective judgements or assessments. The areas of the ICAV's and Sub-Funds business that typically require such estimates are the determination of the fair value of financial assets and financial liabilities as outlined in Note 1(a). Judgements applied in the preparation of these financial statements relate to the determination of going-concern as the basis of preparation as outlined in Note 1(a), the functional and presentation currency as outline in Note 1(b), accruals for capital gains tax as discussed in Note 1(j) and Note 2 and expected credit losses as outlined in Note 1(c).

Significant accounting estimates used in the preparation of these financial statements relate to the fair value of investments. Details of specific estimates used in these financial statements are included in Note 6(f). Accounting estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

o) Income equalisation

Income equalisation arrangements apply to each Sub-Fund. The arrangements are intended to ensure that the income per share, which is distributed in respect of the distribution period, is not affected by changes in the number of shares in issue during the period. The arrangements have no effect on the NAV of any share class. The calculation of equalisation is based on total accumulated undistributed net income. Income equalisation is included in the proceeds from the issuance of redeemable participating shares and payments for the redemption of redeemable participating shares in the Statement of Changes in Net Assets Attributable to Holders of Redeemable Participating Shares.

2. Taxation

The ICAV is an investment undertaking as defined in section 739B of the Taxes Consolidation Act, 1997, as amended (the "TCA"). On that basis, the ICAV is not liable to Irish tax in respect of its income and gains, provided the ICAV is resident for tax purposes in Ireland. The ICAV shall be regarded as resident for tax purposes in Ireland provided it is authorised by the Central Bank of Ireland and it is centrally managed and controlled in Ireland.

However, Irish tax can arise on the happening of a "chargeable event" in the ICAV. A chargeable event arises on any distributions, redemption, repurchase, cancellation, transfer of Shares or the ending of a "relevant period". A relevant period is an eight year period beginning with the acquisition of the Shares by the shareholder and each subsequent period of eight years beginning immediately after the preceding relevant period. A chargeable event does not include:

- (i) Any transactions in relation to shares held in a recognised clearing system as designated by order of the Revenue Commissioners of Ireland: or
- (ii) An exchange of shares representing one Sub-Fund for another Sub-Fund of the ICAV; or
- (iii) An exchange of shares arising on a qualifying amalgamation or reconstruction of the ICAV with another fund: or
- (iv) Certain exchanges of shares between spouses and former spouses.

No Irish tax will arise in respect of chargeable events in respect of a Shareholder who is an Exempt Irish Investor (as defined in Section 739D TCA) or in respect of a Shareholder who is neither Irish resident nor ordinarily resident in Ireland at the time of the chargeable event provided that a relevant declaration is in place (in accordance with Schedule 2B of the TCA) and the ICAV is not in possession of any information which would reasonably suggest that the information contained therein is no longer materially correct.

In the absence of an appropriate declaration, the ICAV will be liable for Irish tax on the occurrence of a chargeable event, and the ICAV reserves its right to withhold such taxes from the relevant shareholders. There were no chargeable events during the period under review.

The ICAV is required to recognise a tax liability when it is probable that the tax laws of foreign countries require a tax liability to be assessed on the Sub-Fund's capital gains sourced from such foreign country, assuming the relevant taxing authorities have full knowledge of all the facts and circumstances. The tax liability is then measured at the amount expected to be paid to the relevant taxation authorities, using the tax laws and rates that have been enacted or substantively enacted by the end of the reporting period. There is sometimes uncertainty about the way enacted tax law is applied to offshore investment funds. This creates uncertainty about whether or not a tax liability will ultimately be paid by the ICAV. Therefore, when measuring any uncertain tax liabilities, management considers all of the relevant facts and circumstances available at the time that could influence the likelihood of payment, including any formal or informal practices of the relevant tax authorities.

Dividends, interest and capital gains (if any) received on investments made by the ICAV may be subject to withholding taxes imposed by foreign countries from which the investment income/gains are received and such taxes may not be recoverable by the ICAV and its shareholders. Withholding tax and reclaims incurred on dividends are recorded on ex-date. Dividends receivable are shown net of withholding taxes payable, if any, in the Statement of Financial Position.

The ICAV may be subject to taxes imposed on realised and unrealised gains on securities of certain foreign countries in which the ICAV invests. Income/gains are received and such taxes may not be recoverable by the ICAV and its shareholders. Many of these foreign countries have tax laws that indicate that capital gains taxes may be applicable to non residents, such as the ICAV. Typically, these capital gains taxes are required to be determined on a self assessment basis; therefore, such taxes may not be deducted by the ICAV's broker on a 'withholding' basis. The foreign tax expense, if any, is recorded on an accrual basis and is included in "Capital gains taxes" in the Statement of Comprehensive Income. The amount of foreign tax owed, if any, is included in "Capital gains tax payable" in the Statement of Financial Position. Capital gains, dividends and interest received may be subject to withholding taxes imposed by the country of origin and such taxes may not be recoverable by the ICAV or its shareholders. The dividend withholding tax charge for the financial period ended 31 December 2024 is presented in the Statement of Comprehensive Income.

The ICAV considers interest and penalties on related tax liabilities to be an inseparable element of the tax liability and accounts for interest and penalties. These amounts would be included within the tax line in the Statement of Comprehensive Income, and the liability, if any, would be included within the income tax liability on the Statement of Financial Position.

In respect of the financial period ended 31 December 2024, the ICAV has not recorded any uncertain tax liabilities and related interest and penalties with respect to foreign capital gains taxes. While this represents management's best estimate, the estimated value could differ significantly from the amount ultimately payable.

2. Taxation (continued)

Reporting Fund Status

The ICAV has received confirmation from HM Revenue & Customs (HMRC) in the UK that it has been granted UK Reporting Fund Status with effect from the launch dates of Sub-Funds the Avantis Global Equity UCITS ETF and Avantis Global Small Cap Value UCITS ETF, for UK tax purposes.

3. Share Capital and Net Asset Value per Share

Authorised

The share capital of the ICAV shall at all times equal the Net Asset Value of the ICAV. The Directors are empowered to issue up to 500,000,000,000 Shares of no par value in the ICAV at the Net Asset Value per Share on such terms as they may think fit. There are no rights of pre-emption upon the issue of Shares in the ICAV

Subscriber Shares

The ICAV issued the 2 subscriber shares of no par value at €2 each for the purpose of the registration of the ICAV. The subscriber shares do not participate in the assets of any Sub-Fund. The subscriber shares' entitlement is limited to the amount subscribed and accrued interest thereon. The subscriber shares entitle the

Shareholders holding them to attend and vote at all meetings of the ICAV but do not entitle the holders to participate in the dividends or net assets of any Sub-Fund or of the ICAV. The ICAV reserves the right to redeem some or all of the Subscriber Shares provided that the ICAV at all times has a minimum issued share capital to the value of €300,000.

Redeemable Participating Shares

Each Share entitles the Shareholder to participate equally on a pro-rata basis in the dividends and net assets of a Sub-Fund attributable to the relevant Class in respect of which they are issued, save in the case of dividends declared prior to becoming a Shareholder. The Subscriber Shares' entitlement is limited to the amount subscribed and accrued interest thereon.

The Directors reserve the right to redesignate any Class from time to time, provided that Shareholders in that Class shall first have been notified by the ICAV that the Shares will be redesignated and shall have been given the opportunity to have their Shares redeemed by the ICAV, except that this requirement shall not apply where the Directors redesignate Shares in issue in order to facilitate the creation of an additional Class.

Each Share entitles the Shareholder to attend and vote at meetings of the ICAV and of the relevant Class of a Sub-Fund represented by those Shares. No Class confers on the holder thereof any preferential or pre-emptive rights or any rights to participate in the profits and dividends of any other Class or any voting rights in relation to matters relating solely to any other Class.

The issued share capital, Net Asset Value and Net Asset Value per share at 31 December 2024 is as follows:

	Avantis Emerging Markets Equity UCITS ETF* USD Acc ETF Class USD	Avantis Global Equity UCITS ETF** USD Acc ETF Class USD	Avantis Global Small Cap Value UCITS ETF*** USD Acc ETF Class USD

^{*} The Avantis Emerging Markets Equity UCITS ETF launched on 9 December 2024, therefore there are no comparatives presented.

5. Operating Expenses

a) Total Expense Ratio ("TER")

All of the fees and expenses payable in respect of a Sub-Fund are paid as one single fee. This is referred to as the TER. The TER will be paid to the Manager and the Manager is responsible for procuring that all operational expenses of the ICAV shall be paid out of the TER.

The TER does not include the following other costs and expenses which the ICAV will pay, out of the assets of each Sub-Fund: interest, taxes, brokerage commissions and other expenses connected with execution of portfolio transactions, including any periodic fee payable to a counterparty under the terms of an OTC Swap and extraordinary expenses such as extraordinary legal costs.

The Manager is responsible for procuring all operational expenses, including but not limited to fees and expenses of the Directors, Investment Manager, Depositary, Administrator, Transfer Agent and Registrar from the amounts received by the Manager from the TER. Such operational expenses include regulatory and audit fees but exclude transaction costs and extraordinary legal costs. In the event a Fund's costs and expenses in connection with the operation of the Fund exceed the stated TER, the Investment Manager will discharge any excess amount out of its own assets.

Where all costs and expenses of a Sub-Fund or Class are met and exceeded by the TER, the Investment Manager will receive any excess from the TER as the investment management fee.

The TER payable in respect of each Sub-Fund is listed below:

Sub-Fund	Share Class	TER (% of NAV) 31 December 2024
Avantis Emerging Markets Equity UCITS ETF*	USD Accumulating Class	Up to 0.35%
Avantis Global Equity UCITS ETF**	USD Accumulating Class	Up to 0.22%
Avantis Global Small Cap Value UCITS ETF***	USD Accumulating Class	Up to 0.39%

^{*} The Avantis Emerging Markets Equity UCITS ETF launched on 9 December 2024, therefore there are no comparatives presented.

Directors Fees

During the financial period ended 31 December 2024, the Directors earned fees amounting to USD 49,833.

Independent Auditor's Remuneration

The remuneration for all work carried out by the statutory audit firm for the financial period ended 31 December 2024 are as follows:

	31 December 2024*
	EUR
Statutory Audit	25,500
Total	25,500

^{**} The Avantis Global Equity UCITS ETF launched on 25 September 2024, therefore there are no comparatives presented.

^{***} The Avantis Global Small Cap Value UCITS ETF launched on 25 September 2024, therefore there are no comparatives presented.

^{**} The Avantis Global Equity UCITS ETF launched on 25 September 2024, therefore there are no comparatives presented.

*** The Avantis Global Small Cap Value UCITS ETF launched on 25 September 2024, therefore there are no comparatives presented.

5. Operating Expenses (continued)

a) Total Expense Ratio ("TER") (continued)

Independent Auditor's Remuneration (continued)

* The Avantis Emerging Markets Equity UCITS ETF launched on 9 December 2024, The Avantis Global Equity UCITS ETF launched and The Avantis Global Small Cap Value UCITS ETF launched on 25 September 2024, therefore there are no comparatives presented.

The fees for the statutory audit of the financial statements disclosed in the table above are exclusive of VAT and inclusive of out of pocket expenses. There were no fees charged for other assurance services or other non-audit services in respect of the current financial period.

Transaction Costs

Transaction costs are any fees and expenses incurred in buying and selling investments held by the Sub-Funds, e.g., brokerage costs and commissions and correspondence fees for transferring securities or investments or other interests, unless otherwise specified in the relevant Supplements to the Prospectus.

Transaction costs on purchases and sales of equity investments during the period are not separately identifiable and are included in net gain/(loss) in the Statement of Comprehensive Income. Custody transaction costs are borne through the TER of the Sub-Funds of the ICAV. Where all costs and expenses of a Sub-Fund are met and exceeded by the TER, the Investment Manager will receive any excess from the TER as the investment management fee. In the event the costs and expenses of a Sub-Fund that are intended to be covered within the TER exceed the stated TER, the Investment Manager will discharge any excess amounts out of its own assets.

The Sub-Funds incurred total transaction costs during the financial period ended 31 December 2024 as follows:

	31 December 2024

^{*} The Avantis Emerging Markets Equity UCITS ETF launched on 9 December 2024, therefore there are no comparatives presented.

6. Risk Management Policies and Disclosure

Introduction and overview

Each of the Sub-Funds of American Century ICAV are exposed to a variety of financial risks in pursuing its stated investment objective and policy such as: market risk (which in turn includes price risk, foreign currency risk and interest rate risk), credit and counterparty risk and liquidity risk. The ICAV takes exposure to certain of these risks to generate investment returns on its portfolio, although these risks can also potentially result in a reduction in the ICAV's net assets. The Investment Manager will use its best endeavours to minimise the potentially adverse effects of these risks on the Sub-Funds' performance where it can do so while still managing the investments of the Sub-Funds in a way that is consistent with the Sub-Funds' investment objective and policy.

For all Sub-Funds, the Investment Manager will use an investment approach that typically involves research such as fundamental analysis, micro and macroeconomic analysis and/or technical analysis rather than seeking to deliver the performance of a benchmark, because it believes actively selecting investments can deliver a better outcome than owning the market in its entirety. Such Sub-Funds could experience losses if the Investment Manager's judgement about markets, future volatility, interest rates, industries, sectors and regions or the attractiveness, relative values, liquidity, effectiveness or potential appreciation of particular investments made for a Sub-Fund prove to be incorrect.

a) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Investment Manager moderates market risk through careful selection of securities and other financial instruments within specified limits. The ICAV's overall market position is monitored by the Investment Manager and is reviewed on a regular basis by the Manager.

^{**} The Avantis Global Equity UCITS ETF launched on 25 September 2024, therefore there are no comparatives presented.

*** The Avantis Global Small Cap Value UCITS ETF launched on 25 September 2024, therefore there are no comparatives presented.

a) Market Risk (continued)

As at 31 December 2024, the ICAV's market risk is affected by three components:

- (i) Changes in actual financial instrument prices ("Market price risk");
- (ii) Foreign currency movements ("Foreign currency risk"); and
- (iii) Interest rate movements ("Interest rate risk").

i) Market Price Risk

Market price risk is defined as risk that the fair value of a financial instrument or its future cash flows will fluctuate because of changes in market prices. Each Sub-Fund holding equity investments is directly affected by movements in market prices.

The management of market risk is affected through asset allocation and diversification based on the Sub-Fund's investment objective as well as the Investment Manager's developed investment process. For all of the Sub-Funds, this includes in-depth research as well as monthly analysis of invested companies and the macroeconomics of the invested areas.

The maximum risk arising from an investment in a financial instrument is determined by the fair value of the financial instruments, except for short positions in derivatives and securities where the loss may potentially be unlimited. The value of market price risk that the Sub-Funds are exposed to at 31 December 2024 is the fair value of investments as disclosed in the relevant Sub-Fund's Schedule of Investments.

Price Sensitivity Analysis

If the price of each equity security held by the Sub-Funds had increased by 10% at 31 December 2024, with all other variables remaining constant, this would have increased the net assets of the Sub-Funds as disclosed in the table below. A 10% decrease at 31 December 2024 would have an equal and opposite effect on the value of the Sub-Funds.

		31 December
Sub-Fund	Currency	2024
Avantis Emerging Markets Equity UCITS ETF*	USD	2,123,313
Avantis Global Equity UCITS ETF**	USD	25,448,990
Avantis Global Small Cap Value UCITS ETF***	USD	12,443,380

^{*} The Avantis Emerging Markets Equity UCITS ETF launched on 9 December 2024, therefore there are no comparatives presented.

ii) Foreign Currency Risk

Currency risk is defined as the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Each Sub-Fund is exposed to currency risk as monetary and non-monetary assets and liabilities of the Sub-Funds may be denominated in a currency other than the functional currency of the Sub-Funds.

The fluctuations in the rate of exchange between the currency in which the asset or liability is denominated and the functional currency could result in an appreciation or depreciation in the fair value of that asset.

For all of the Sub-Funds, the Investment Manager monitors each Sub Fund's currency exposure on a regular basis and the Investment Manager may attempt to mitigate this risk by using financial derivative instruments ("FDI").

A Sub-Fund may use FDIs on behalf of a specific class in order to hedge some or all of the foreign exchange risk for such class. A Sub-Fund that hedges foreign exchange risk for any class may enter into forward currency contracts in order to hedge some or all of the foreign exchange risk for the relevant class.

^{**} The Avantis Global Equity UCITS ETF launched on 25 September 2024, therefore there are no comparatives presented.

^{***} The Avantis Global Small Cap Value UCITS ETF launched on 25 September 2024, therefore there are no comparatives presented.

a) Market Risk (continued)

ii) Foreign Currency Risk (continued)

The foreign currency risk exposure and currency sensitivity analysis, which detail the approximate increase or decrease in net assets attributable to redeemable participating shareholders of each relevant Sub-Fund if the exchange rate of the base currency increased or decreased by 5% relative to the non-base exposure for each Sub-Fund, as at 31 December 2024 are detailed in the tables below, for those Sub-Funds with material exposure (Monetary assets comprise of cash and cash equivalents denominated in a foreign currency and non-monetary assets comprise of other assets denominated in a foreign currency):

^{*} The Avantis Emerging Markets Equity UCITS ETF launched on 9 December 2024, therefore there are no comparatives presented.

As at 31 December 2024, none of the Sub-Funds is investing in forward currency exchange contracts.

iii) Interest Rate Risk

Interest rate risk arises from the possibility that changes in interest rates will affect future cash flows or the fair values of financial instruments. Changes to prevailing interest rates or changes in expectations of future rates may result in an increase or decrease in the value of the securities held. In general, if interest rates rise, the value of fixed income securities will decline. A decline in interest rates will in general have the opposite effect. Other assets and liabilities bear no interest rate risk. The Investment Manager monitors positions on a daily basis. There were no fixed income positions held by the ICAV in the financial period ended 31 December 2024.

Cash and cash equivalents are subject to interest which is minimal and so no sensitivity analysis was performed.

b) Credit Risk and Counterparty Risk

Credit risk is the probable risk of loss resulting from a borrower's failure to repay a loan or meet its contractual obligations. Investments in equity securities are not exposed to credit risk. The Sub-Funds bear credit risk on any debt securities held. Credit risk generally encompasses default risk, spread risk, counterparty risk and settlement risk.

There is no credit risk exposure as of 31 December 2024, as none of the Sub-Funds are investing in debt securities.

The Investment Manager may use forward currency contracts to hedge against foreign currency exposure. These have a similar credit or default risk to a regular currency spot transaction. Forward currency contracts are Over the Counter ("OTC") traded and therefore have counterparty risk which arises from the potential failure of counterparties to meet their obligations under the contract or arrangement.

Counterparty risk is a sub-set of credit risk and is the risk to each party of a contract that the counterparty will not live up to its contractual obligations. The Sub-Funds have exposure to counterparty risk on any bilateral agreement such as OTC derivatives transactions where both sides face credit risk, (i.e. forward currency contracts).

Derivatives, cash deposited as margin or other similar investments/monies deposited by or entered into on behalf of the Sub-Funds with a counterparty, options exchange, clearing broker or other parties are not held within the State Street custodial network. The Depositary is therefore not liable in any way for the default of any counterparty.

There is no counterparty risk exposure as of 31 December 2024, as none of the Sub-Funds is investing in derivative securities.

The ICAV's Depositary is State Street Custodial Services (Ireland) Limited. Substantially all of the assets and cash of the Sub-Funds are held within the custodial network of the Depositary.

^{**} The Avantis Global Equity UCITS ETF launched on 25 September 2024, therefore there are no comparatives presented.

^{***} The Avantis Global Small Cap Value UCITS ETF launched on 25 September 2024, therefore there are no comparatives presented.

b) Credit Risk and Counterparty Risk (continued)

In choosing and appointing a sub-custodian as a safe keeping agent, the Depositary exercises care and diligence to ensure that the sub-custodian has and maintains the expertise, competence and standing appropriate to discharge the responsibilities concerned. These criteria are monitored by the Depositary on an ongoing basis. Bankruptcy or insolvency of the Depositary or of it parent company, State Street Corporation, may cause the Sub-Funds' rights with respect to their investments held by the Depositary to be delayed or limited. The credit rating of State Street Corporation as at 31 December 2024 is A by Standard & Poor's.

c) Liquidity Risk

The Sub-Funds' assets generally comprise of highly liquid equity securities. For all of the Sub-Funds, liquidity is a factor that the Investment Manager considers when investing in any financial instrument.

The main financial liability of the Sub-Funds is the redemption of redeemable participating shares. As the Sub-Funds are open ended, the relevant Sub-Fund is required to redeem shares on request by shareholders at a price equivalent to the Net Asset Value per share, subject to settlement and dealing restrictions laid down in the Prospectus.

The Investment Manager manages each Sub-Fund's liquidity position on a daily basis. Also the Investment Manager is able, through the provisions in the Prospectus, to defer the processing of redemptions of significant size to facilitate an orderly disposition of securities in order to protect the interest of the remaining shareholders. The maximum number of redeemable participating shares available for redemption on any given day can be restricted to 10% of the total number of shares in issue in the relevant Sub-Fund. If the ICAV refuses to redeem shares for this reason, the requests for redemption on such date can be reduced rateably and the redemption requests will be treated as if they were received on each subsequent Dealing Day until all the shares to which the original request related have been redeemed, provided that the ICAV is not obliged to redeem more than 10% of the number of shares of a particular Sub-Fund outstanding on any Dealing Day, until all the shares of the Sub-Fund to which the original request relate have been redeemed.

The liquidity profile of the Sub-Funds' financial liabilities as at 31 December 2024 is as follows:

7. Fair Value Hierarchy

The ICAV is required to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements.

The standard requires an entity to provide a quantitative and qualitative analysis of those instruments recognised at fair value based on a three-level measurement hierarchy. The fair value hierarchy has the following levels:

- · Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices).
- · Level 3 Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs).

Furthermore, for those instruments which have significant unobservable inputs (Level 3), the amendment requires disclosures on the transfers into and out of Level 3, and a reconciliation of the opening and closing balances. The level in the fair value hierarchy within which the fair value measurement is categorised in its entirety is determined on the basis of the lowest level input that is significant to the fair value measurement in its entirety.

For this purpose, the significance of an input is assessed against the fair value measurement in its entirety. If a fair value measurement uses observable inputs that require significant adjustment based on unobservable inputs, that measurement is a Level 3 measurement. Assessing the significance of a particular input to the fair value measurement in its entirety requires judgement, considering factors specific to the asset or liability.

The determination of what constitutes 'observable' requires significant judgement by the Sub-Funds. The Sub-Funds consider observable data to be that market data that is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by independent sources that are actively involved in the relevant market. Assets and liabilities not carried at fair value are carried at amortised cost, their carrying values are a reasonable approximation of fair value.

The following tables analyse within the fair value hierarchy the Sub-Funds' financial assets and financial liabilities measured at fair value at 31 December 2024:

Avantis Emerging Markets Equity UCITS ETF*	Level 1 USD	Level 2 USD	Level 3 USD	Total USD

^{*} The Avantis Emerging Markets Equity UCITS ETF launched on 9 December 2024, therefore there are no comparatives presented.

Investments whose values are based on quoted market prices in active markets are classified within Level 1. for the ICAV, these include active listed equities.

^{**} The Avantis Global Equity UCITS ETF launched on 25 September 2024, therefore there are no comparatives presented.

*** The Avantis Global Small Cap Value UCITS ETF launched on 25 September 2024, therefore there are no comparatives presented.

7. Fair Value Hierarchy (continued)

Financial instruments that are not listed but are valued based on quoted market prices, dealer quotations or alternative pricing sources supported by observable inputs are classified within Level 2.

Transfers between levels of the fair value hierarchy are deemed to have occurred at the end of the period.

There were no transfers out of Level 1 into Level 2 during the financial period ended 31 December 2024. There were no transfers out of Level 1 into Level 3 during the financial period ended 31 December 2024. There were no transfers out of Level 2 into Level 3 during the financial period ended 31 December 2024.

8. Cash and Cash Equivalents

As at 31 December 2024, all cash and cash equivalents and bank overdrafts are held with the Depositary, with the exception of the margin cash. The long-term credit rating of State Street Corporation, the ultimate parent of the Depositary, as at 31 December 2024 is A by Standard & Poor's.

As at 31 December 2024, none of the Sub-Funds hold margin cash balances.

11. Related Party Disclosures

The Directors who are listed on page 2 are considered related parties for the purposes of the accounting standards to which the ICAV is subject. Fees paid to the Manager and Investment Manager during the financial period, the nature of these transactions and balances outstanding at the financial period end are disclosed in Note 5.

Transactions with Key Management Personnel

The interests of the Directors in related parties are as follows:

Richard Adams is vice president and head of EMEA for American Century Investments. He is a U.K. resident and was appointed to the Board 11 April 2024.

Robert Wes Campbell is Treasurer & Chief Financial Officer of American Century Investments' U.S. registered investment companies and Vice President of Fund Administration. He is a U.S. resident and was appointed to the Board 11 April 2024.

^{**} The Avantis Global Equity UCITS ETF launched on 25 September 2024, therefore there are no comparatives presented.

^{***} The Avantis Global Small Cap Value UCITS ETF launched on 25 September 2024, therefore there are no comparatives presented.

11. Related Party Disclosures (continued)

Transactions with Key Management Personnel (continued)

Glen Casey is a senior vice president and global head of products and strategy for American Century Investments. He is a U.S. resident and was appointed to the Board 11 April 2024.

Feargal Dempsey is an independent director and consultant to the ETF industry. He is an Irish resident and was appointed to the Board 26 March 2024.

Siobhan Moloney is an independent director and has served on a variety of boards of Irish regulated funds and financial service entities. She is an Irish resident and was appointed to the Board 26 March 2024. As per the Corporate Governance Code issued by Irish Funds Industry Association she is deemed fully independent from January 2025. She was an employee of Waystone Management Company until January 2022.

Please see page 28 for details of Directors fee paid.

Significant Shareholders

The following tables details the number of shareholders with significant holdings (at least 20%) of the relevant Sub-Fund and the percentage of that holding as at 31 December 2024. The significant shareholders are the Authorised Participants who hold 100% of the Sub-Funds on the primary share register at the reporting date, the majority of which are re-sold on the secondary market. The beneficial ownership of these shares is then passed from the Authorised Participants through the trading of shares on the secondary market.

Sub-Fund	Number of significant shareholders
Avantis Emerging Markets Equity UCITS ETF*	1
Avantis Global Equity UCITS ETF**	1
Avantis Global Small Cap Value UCITS ETF***	1

^{*} The Avantis Emerging Markets Equity UCITS ETF launched on 9 December 2024, therefore there are no comparatives presented.

12. Efficient Portfolio Management

From time to time, the ICAV may employ investment techniques and Financial Derivative Instruments ("FDI") for efficient portfolio management purposes, subject to the conditions and within the limits laid down by the Central Bank. The ICAV employs a risk management process which enables it to accurately measure, monitor and manage at any time the various risks associated with FDIs and their contribution to the overall risk profile of the portfolio of assets of the Sub-Funds.

There were no FDIs held by the ICAV in the financial period ended 31 December 2024.

13. Distributions

presented

No dividends or distributions were declared, approved or paid during the financial period ended 31 December 2024 as all share classes are accumulating share classes and the net income and capital gains which arose were accumulated.

14. Soft Commissions & Directed Brokerage Services

The Investment Manager did not enter into any soft commission arrangements or directed brokerage services on behalf of the Sub-Funds during the financial period ended 31 December 2024.

15. Exchange Rates

The rates of exchange ruling as at 31 December 2024 were as follows:

16. Segregated Liability

The ICAV is an umbrella fund with segregated liability between the Sub-Funds and as such, as a matter of Irish law, the assets of a Sub-Fund will not be exposed to the liabilities of the ICAV's other Sub-Funds.

Segregated liability ensures that the liabilities incurred on behalf of a Sub-Fund will be discharged solely out of the assets of that Sub-Fund and there can generally be no recourse to the other Sub-Funds to satisfy those liabilities.

Each Sub-Fund will be responsible for paying its fees and expenses regardless of the level of profitability. Notwithstanding the foregoing there can be no guarantee or assurance that, should an action be brought against the ICAV in a court of another jurisdiction, that the segregated nature of the Sub-Funds would necessarily be upheld.

There were no cross holdings between the Sub-Funds of the ICAV for the financial period ended 31 December 2024.

17. Significant Events During the Period

All Sub-Funds were registered for distribution in Germany on the 9 September 2024.

The Avantis Global Equity UCITS ETF and the Avantis Global Small Cap Value UCITS ETF launched on 25 September 2024.

On 1 October 2024, Waystone Investment Management (IE) Limited was appointed to provide distribution platform services to the ICAV.

All Sub-Funds were registered in the United Kingdom under the Overseas Fund Regime on the 31 October 2024.

The Avantis Emerging Markets Equity UCITS ETF launched on 9 December 2024.

The Avantis Global Equity UCITS ETF and the Avantis Global Small Cap Value UCITS ETF were listed on Deutsche Börse Xetra as of 1 October 2024 and on the London Stock Exchange as of 4 December 2024.

The Avantis Emerging Markets Equity UCITS ETF was listed on Deutsche Börse Xetra as of 12 December 2024 and on the London Stock Exchange as of 19 December 2024.

All Sub-Funds were registered in The Netherlands on the 24 December 2024.

There were no other significant events during the period which require disclosure in the ICAV's financial statements.

18. Significant Events Since the Period End

Effective 2 January 2025, the Central Bank noted the appointment of American Century Investment Management (UK) Limited ("ACI UK") as the Distributor for the ICAV and termination of American Century Investment (EU) GmbH ("ACI EU") as the appointed Distributor. Noting ACI EU has been appointed as a sub-distributor by ACI UK.

Siobhan Moloney was appointed as Independent Director on 26 March 2024. As per the Corporate Governance Code issued by Irish Funds Industry Association she is deemed fully independent from January 2025. She was an employee of Waystone Management Company until January 2022.

Effective 28 January 2025, all Sub-Funds were registered in Austria.

Effective 14 February 2025, Waystone Fund Services (Switzerland) SA, Av. Villamont 17, 1005 Lausanne, Switzerland and Banque Cantonale de Genève, 17, quai de l'Ille, 1204 Geneva, Switzerland, were appointed as the Swiss Representative and Swiss Paying Agent for the ICAV.

Effective 26 February 2025, all Sub-Funds were registered in Denmark and Finland.

On the 10 March 2025, the Central Bank of Ireland noted the updated supplement for the Avantis Global Small Cap Value UCITS ETF. The changes within the supplement included the establishment of a new share class, I-USD Acc ETF.

There were no other significant events since the period end which require disclosure in the ICAV's financial statements.

19. Approval of the financial statements

The financial statements were approved by the Board of Directors on 24 April 2025.

Remuneration Disclosure (Unaudited)

Remuneration Policy

The Manager has designed and implemented a remuneration policy (the "Policy") in line with the provisions of S.I. 257 of 2013 European Union (Alternative Investment Fund Managers) Regulations 2013 (the "AIFM Regulations"), S.I. 352 of 2011 European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011 (as amended) (the "UCITS Regulations") and of the ESMA Guidelines on sound remuneration policies under the UCITS Directive and AIFMD (the "ESMA Guidelines"). The Policy is designed to ensure that the remuneration of key decision makers is aligned with the management of short and long-term risks, including the oversight and where appropriate the management of sustainability risks in line with the Sustainable Finance Disclosure Regulations.

The Manager's remuneration policy applies to its identified staff whose professional activities might have a material impact on the ICAV's risk profile and so covers senior management, risk takers, control functions and any employees receiving total remuneration that takes them into the same remuneration bracket as senior management and risk takers and whose professional activities have a material impact on the risk profile of the ICAV. The Manager's policy is to pay identified staff a fixed component with the potential for identified staff to receive a variable component. It is intended that the fixed component will represent a sufficiently high proportion of the total remuneration of the individual to allow the Manager to operate a fully flexible policy, with the possibility of not paying any variable component. When the Manager pays a variable component as performance related pay certain criteria, as set out in the Manager's remuneration policy, must be adhered to. The various remuneration components are combined to ensure an appropriate and balanced remuneration package that reflects the relevant staff rank and professional activity as well as best market practice. The Manager's remuneration policy is consistent with, and promotes, sound and effective risk management and does not encourage risk-taking which is inconsistent with the risk profile of the funds it manages.

These disclosures are made in respect of the remuneration policies of the Manager. The disclosures are made in accordance with the ESMA Guidelines.

Total remuneration (in EUR) paid to the identified staff of the Manager fully or partly involved in the activities of the ICAV that have a material impact on the ICAV's risk profile during the financial period to 31 December 2024 (the Manager's financial year):

Fixed remuneration	EUR
Senior Management	3,377,918
Other identified staff	-
Variable remuneration	
Senior Management	732,962
Other identified staff	-
Total remuneration paid	4,110,880

No of identified staff – 20.

Neither the Manager nor the ICAV pays any fixed or variable remuneration to identified staff of the Investment Manager.

There have been no material changes made to the Remuneration Policy or the Manager's remuneration practices and procedures during the financial period.

Schedule Of Portfolio Changes (Unaudited)

^{*} The Avantis Global Small Cap Value UCITS ETF launched on 25 September 2024.

Sustainable Finance Disclosure Regulation ("SFDR") And Taxonomy Regulation Disclosures (Unaudited)

FOR THE FINANCIAL PERIOD ENDED 31 DECEMBER 2024

Transparency of the promotion of environmental or social characteristics and of sustainable investment objectives in periodic reports

The Avantis Emerging Markets Equity UCITS ETF, the Avantis Global Equity UCITS ETF and the Avantis Global Small Cap Value UCITS ETF (the "Sub-Funds") are classified as an Article 6 product under SFDR, this means that the Sub-Funds do not deem Sustainability Risks to be relevant and do not integrate Sustainability Risks into its investment decisions due to the investment strategy of the Sub-Funds. The investments underlying the Sub-Funds do not take into account the EU criteria for environmentally sustainable economic activities within the meaning of the Taxonomy Regulation.

Securities Finance Transaction Regulations ("SFTR") (Unaudited)

A Securities Financing Transaction ("SFT") is defined as per Article 3(11) of the Securities Financing Transactions Regulations as:

- · A repurchase transaction;
- · Securities or commodities lending and securities or commodities borrowing;
- · A buy-sell back transaction or sell-buy back transaction; or
- · A margin lending transaction.

For the financial period ended 31 December 2024, the Investment Manager has not engaged in any SFTs on behalf of the ICAV and the Sub-Funds.
